In its Complaint, Fantasia also alleges that it owns U.S. Trademark Registration No. 4,600,173 for "ICE" in connection with "Electronic hookah liquid (e-liquid) consisting of flavorings in liquid form used to fill electronic hookahs or electronic hookah cartridges; Vapor liquid consisting of flavorings in liquid form used to fill electronic cigarette vaporizers or vaporizing cigarette cartridges" and with "Hookah tobacco; Herbal molasses; Herbs for smoking; Molasses tobacco; Smoking molasses; Shisha; Vapor stones for electronic hookahs; Electronic hookahs; **Cartomizers, namely, combination electronic cigarette refill cartridges sold empty** and atomizers, sold as a component of electronic cigarettes" (emphasis added).

8. U.S. Trademark Registration 4,600,173 is referred to as the "ICE Registration."

9. In its complaint, Fantasia asserts that the ICE Registration provide Fantasia with a legal right to exclude others, including Defendant/Counterclaimant Plaintiff, from using the word “ICE” or “ICED” as descriptions of flavors for e-cigarette or vaping products.

10. In its complaint, Fantasia has asserted that Defendant/Counterclaimant Plaintiff is infringing on the ICE Registration, and has asserted claims for federal trademark infringement against it.

11. Defendant/Counterclaimant Plaintiff has denied that Fantasia has any legal right to exclude them from using the words “ice” or “iced” to describe e-cigarette or e-juice flavors.

12. Defendant/Counterclaimant Plaintiff seeks to cancel the ICE Registration on the grounds that, on information and belief, it was obtained as a result of knowingly making false statements about the use of the Marks, which were made with the intent to deceive the USPTO and constitute fraud on the USPTO.

13. On May 25, 2020, Fantasia filed its Declaration Combined Declaration of Use and Incontestability under Sections 8 & 15 (“Section 8 & 15”) dated for Reg. No. 4,600,173, in which it declared that “the mark is in use in commerce on or in connection with **all** of the goods/**all** of the services, or to indicate membership in the collective membership organization, listed in the existing registration... **and** the mark has been continuously used in commerce for five (5) consecutive years after the date of registration, or the date of publication under Section 12(c), and is still in use in commerce on or in connection with **all** goods/**all** services...”

14. It appears from publicly available information that Fantasia has not used its marks in commerce on or in connection with all of the goods listed. On information and belief,

Fantasia intentionally withheld from the Patent and Trademark Office that it does not use its mark in commerce on or in connection with the goods for “**Molasses tobacco**” and “**Cartomizers, namely, combination electronic cigarette refill cartridges sold empty**.” (emphasis added).

15. On information and belief, Fantasia uses the mark in commerce on or in connection with goods containing “Molasses” or with “Tobacco” as separate products; however, Fantasia does not use its mark in commerce on or in connection with goods for “Molasses tobacco.”

16. On information and belief, Fantasia does not use the mark in commerce on or in connection with empty cartomizer or with empty cigarette refill cartridges. On information and belief, Fantasia uses the mark in commerce with disposable, filled “cartomizers” or “cigarette refill cartridges.” Since the said cartomizers are disposable, on information and belief, the cartomizers are not “sold empty.”

17. A screenshot taken on September 13, 2020, for the search result for “cartomizer” on Fantasia’s website shows that all cartomizers sold by Fantasia, including those use in commerce on or in connection with the mark ICE, are part of the Fantasia E-Bowl system:

Fantasia E-Bowl Kit

The Fantasia Electronic Bowl replaces your typical tobacco filled hookah bowl, foil, and charcoal. An E-Bowl is a rechargeable battery-powered device that converts liquid (E-Liquid) into a mist of vapor. E-Bowls work exactly like a large vapor pen. **Disposable Fantasia E-Bowl Cartridges** filled with Fantasia E-Liquid are inserted into the E-Bowl and then placed on any existing hookah water pipe and is ready for use.

Indoor/Outdoor Solution – The Fantasia E-Bowl and Cartridges provide a **solution for hookah lounges, night clubs, and consumers** who are looking to keep the tradition and experience without having to use tobacco and charcoal.

- *No Tobacco

3MG Nicotine

19. On information and belief, the Fantasia E-Bowl Kit uses disposable cartomizers and therefore the cartomizers are not “sold empty” as Fantasia declared in its declarations to the Patent and Trademark Office.

20. Whether the goods sold in commerce or in connection with the marks are the same as those listed in the trademark registration would be material to the question of whether and how the term “ICE” was used by Fantasia in commerce, as well as to the validity of the Fantasia’s registration.

21. If, as believed, Fantasia does not sell goods containing Molasses Tobacco nor sell empty cartomizers, this material information should have been disclosed to the USPTO.

22. If, as believed, Fantasia intentionally withheld such material information from the USPTO in its Section 8 & 15 for 4,600,173 and therefore Fantasia's Section 8 & 15 for the ICE Registration should be voided.

23. Furthermore, the registration creates a legal presumption that Fantasia has valid and exclusive rights in the mark for goods identified in the Registration.

24. For the reasons set forth above, Fantasia is not entitled to the registration or to the legal presumption that the registration creates.

25. The continued presence of the Registration on the federal trademark register constitutes an obstacle to Defendant/Counterclaimant Plaintiff intended use of the term "ICE" in future products and in marketing materials or keywords. The registration, thus, is causing injury and damage to Defendant/Counterclaimant Plaintiff.

COUNT II
CANCELLATION OF FEDERAL TRADEMARK REGISTRATIONS
FOR GENERICNESS
15 U.S.C. § 1119

26. Defendant/Counterclaimant Plaintiff incorporates the allegations of Paragraph 1 through 25 of the Counterclaims as if fully set forth herein.

27. The words "ice" and "iced" are generic term to describe minty or menthol flavors.

28. Hundreds of tobacco, e-juice, and e-cigarette manufacturers use the terms "ice" and "iced" to functionally describe a flavor as bring a menthol flavor.

29. The word "ice" has no significance as a source identifier in the tobacco or e-cigarette industry. Rather, the primary significance to the public of the terms "ice" and "iced" is to identify an attribute of the product they are purchasing.

30. The purchasing or consuming public for e-cigarettes or e-juice use and understand the terms “ice” and “iced” to refer to the genus or sub-genus of e-cigarette or e-juice goods, or a key aspect of e-cigarette or e-juice goods.

31. An actual and justiciable controversy exists between Defendant/Counterclaimant Plaintiff and Fantasia, because Fantasia has sued Defendant/Counterclaimant Plaintiff over their use of the word “Iced.” An actual controversy further exists concerning whether this lawsuit was filed for improper purposes, including to hinder lawful competition from Fantasia’s competitors, which include Defendant/Counterclaimant Plaintiff.

32. Pursuant to 15 U.S.C. § 1119, in any action involving a registered mark the Court may, *inter alia*, determine the right to registration and order the cancellation of the registrations of any party to the action.

33. Pursuant to 15 U.S.C. § 1064, Fantasia’s ICED Registrations are invalid and subject to cancellation because the marks registered thereunder are generic.

COUNT III
CANCELLATION OF FEDERAL TRADEMARK REGISTRATION 4,600,173
BASED ON LACK OF SECONDARY MEANING

34. Defendant/Counterclaimant Plaintiff incorporates the allegations of Paragraph 1 through 33 of the Counterclaims as if fully set forth herein.

35. If the Section 8 & 15 Declaration filed for 4,600,173 is invalid, then Defendant/Counterclaimant Plaintiff seeks to cancel the Registration No. 4,600,173 for “ice” on the grounds that the registration is void because it is descriptive and has not acquired secondary meaning.

36. The words “ice” cannot be trademarked because it is generic and descriptive. “ice” is often used to describe a feature, such as a flavor, thus, such generic and descriptive terms cannot be subject to a trademark.

37. Plaintiff’s goods are literally smoking tobaccos which have “ice” flavor.

38. Ice is descriptive of various goods in the marketplace which have an icy flavor, for example, lip balm, cookies and chewing gums.

39. As a result, the term ICE is descriptive of a feature of the applicant’s goods and Plaintiff’s registration should be canceled from the Principal Register because it is descriptive and has not acquired secondary meaning.

40. For the reasons set forth above, Applicant is not entitled to the Registration.

41. The continued presence of the Registration on the federal trademark register constitutes an obstacle to Defendant/Counterclaimant Plaintiff’ intended use of the term “ice” in future goods and in marketing materials or keywords. The Registration, thus, is causing injury and damage to Defendant/Counterclaimant Plaintiff.

PRAYER FOR RELIEF

WHEREFORE, Defendant/Counterclaimant Plaintiff demands judgment in its favor and against Fantasia as follows:

1. Dismiss the Plaintiff’s Complaint against Defendant/Counterclaimant Plaintiff with prejudice;

2. Declare, adjudge, and decree that U.S. Trademark Registration Nos. 3,998,201 and 4,600,173 are invalid;

3. Order that U.S. Trademark Registration Nos. 3,998,201 and 4,600,173 be canceled, and certify that Order by the Court to the Director of the U.S. Patent & Trademark Office in accordance with 15 U.S.C. § 1119;
4. Declare, adjudge, and decree that Defendant/Counterclaimant Plaintiff's past use of the words "ice" or "iced" and "pink lemonade" has not infringed on the legal rights of Fantasia;
5. Declare that this is an "exceptional case" that warrants an award of attorney's fees against Fantasia; and
6. Award Defendant/Counterclaimant Plaintiff such other and further equitable relief as the Court may deem just and proper.
